

**IN THE SPECIFICATION**

Please substitute the specification attached hereto (pages 1-15 labeled "SUBSTITUTE SPECIFICATION") for the English language translation of PCT/FR2003/002956 submitted with the filing of this application on April 13, 2005.

The substitute specification adds Applicant's priority claim to PCT/FR2003/002956 (and FR 02 012743 filed October 14, 2002), adds headings to the specification description conforming to U.S. Patent Office practice, adds paragraph numbers, and corrects spelling, grammar and context errors which have been noted in the English language translation of PCT/FR2003/002956.

No new matter has been added. Acceptance of the substitute specification is accordingly requested.

A copy of a red-line comparing the substitute specification to the specification part of originally filed English language translation of PCT/FR2003/002956 is also attached hereto for the Examiner's consideration. 37 CFR 1.125.
